ATTENDANCE – SCHOOL DAYS MISSED

Attendance in school is key to our children's learning. Since September 2024 there have been 187 morning or afternoon sessions missed. This is equivalent to 93.5 days of education. Please ensure that your child attends school. We have 24 children in school so the average per child is almost 3 days lost learning.

PARENTPAY SCHOOL DINNERS

Please make sure that you have ordered your school dinners through ParentPay. The school office does not automatically order lunches.

We are implementing a new way to choose your children's lunch options. As all of our parents use ParentPay to pay for hot lunches, after school clubs and trips, we are delighted to announce next terms new Caterlink Lunch Menu is now live on Parentpay.

This new feature allows all parents to pre-choose their child's meals for several weeks in advance. Those who pay for their school meals, can pay for their child's hot lunch meals they have chosen.

Those on free school meals, this is already recorded in ParentPay and no payment should be requested from ParentPay, once the hot lunch meal choices have been chosen.

As with all things new, we may experience a few little issues whilst everyone starts using the new system. However, we are hoping to continue using this new system and removing the paper copies of hot lunch menus going forward.

The hot lunch menu booking information guide for parents/carers, can be found here:
